Enrollment of 2018 Summer School of China Table Tennis College

China Table Tennis College is the first professional institution of table tennis in the world which jointly established by Shanghai Municipal Government and Chinese Table Tennis Association and is located in Shanghai with teaching, training, scientific research and foreign exchange. It also has degree education of undergraduate, master, Ph.D. as well as the mission of cultivating outstanding youths. Every year, we hold Summer School for foreign freinds.

The Summer School of this year begins from **5th July to 1st August** in Shanghai, China. Students will have table tennis training, Chinese language courses, traditional Chinese culture experience and extra-curricular practice like sightseeing tours etc. The event aims to improve the technical level of table tennis players from various countries and expand their horizons to
